CERTIFIED

WELCOME MESSAGE

Dear Colleagues

Owing to the still ongoing Covid-19 situation worldwide, we assure you as always to be extra-cautious. Sharm Derma, as we always promise you, is divided into two parts. Part I (Spring) conference was held from 16th – 18th March, 2022.

Our Sharm Derma 2022 Fall conference will be held from 24th – 28th October, 2022 at Intercontinental CityStars Hotel, Cairo, Egypt. We will be having online streaming at the same time for all who won't be able to attend the conference due to the present circumstances.

We have been working on providing a balanced program for Sharm Derma conferences (both Parts I & II) including state-of-the-art in medical and aesthetic dermatology.

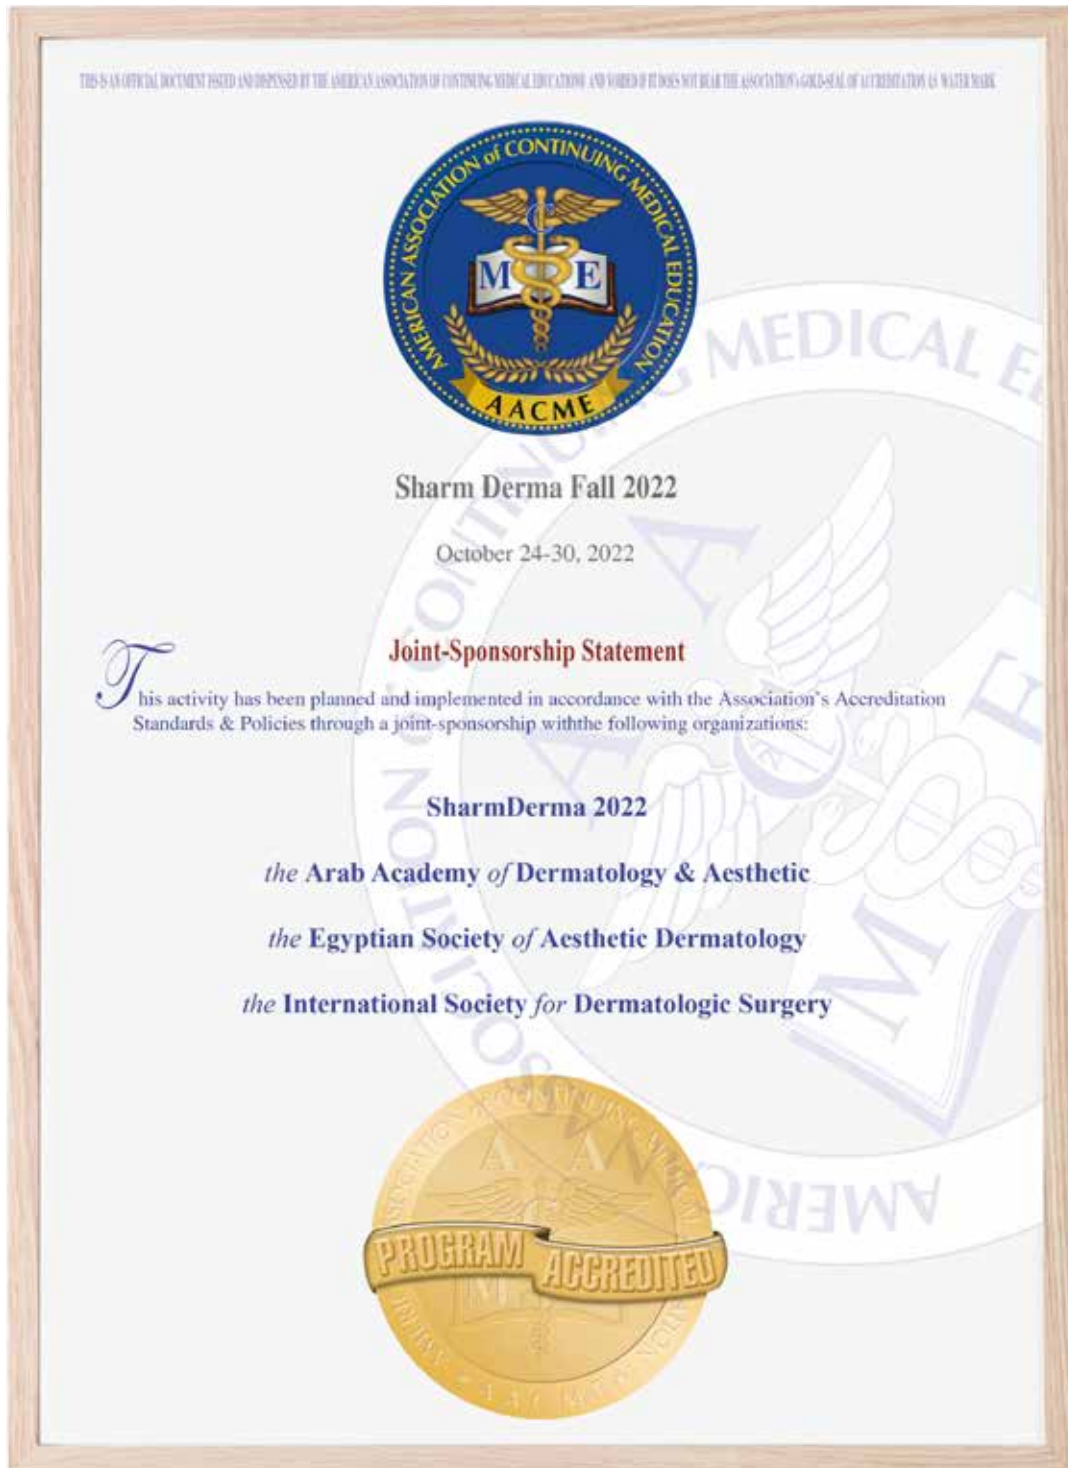

During our upcoming conference, as always, we promise to provide you with an exceptionally valuable experience, hoping that you will enjoy our meticulously organized highly rich scientific content. The courses are designed for different levels of experience and are meant to provide the basic, as well as the latest advances in every sub-specialty in dermatology.

Participation of an enormous number of the most renowned speakers from all over the world will allow for the fruitful sharing of knowledge and experience. Hope these hard times end & we resume our normal lives here in Egypt.

Prof. Assem Farag

Professor of Dermatology and
Venereology, Faculty of Medicine,
Benha University

"This activity has been planned and implemented in accordance with the Accreditation Standards & Policies of the American Association of Continuing Medical Education® through the joint sponsorship of the Sharm Derma "The International Conference of Dermatology & Cosmetology" MISR2000 is accredited by the American Association of Continuing Medical Education® to provide continuing medical education for physicians. The Accreditation Review Committee designates this educational activity for a maximum of (62.50) in the category 1 credits in the Association's Credit Designation. Each participant must claim only those credits that he/she actually spent in the educational activity"
